superheroes captivate our cultural imagination from reading comic books in our childhood bedrooms to watching the latest blockbuster on the silver screen we long to see the champion defeat the villain and ultimately rescue the world from certain destruction though the stories may be fantastical our desires are not our hearts are drawn to superheroes because we want someone to triumph over evil and save the world this issue of an unexpected journal proposes that just maybe our desires have already been fulfilled contributors jesse w baker the power of weakness on questions of violence donald w catchings jr he will rise on nolan s salvific themes annie crawford super women and the price of power on gendered superheroes joseph holmes superheroes and worship on the attraction of superhero movies christy luis ex cult member saved by grace on the dangers of false heroes jason monroe answering joker s dark knight defying anarchy on competing worldviews seth myers global superheroes from the disneyverse and studio ghibli on heroism manifested around the world once a prince or princess macdonald s moral superheroines and heroes in the princess tales on ordinary heroic actions and planets poetry and the power of myth in halo and destiny on the apologetic power of video games annie nardone just a sidekick on the importance of support cherish nelson person or persona what s inside the spider verse on plantinga s conception of the multiverse megan joy rials diana prince apologist salvation and the great commission in wonder woman on an unlikely apologist jason m smith worth reading on some good starting points james m swayze superheroes saviors and c s lewis on epic myth and human longings john p tuttle humility contra pride as represented in thor 2011 on the superiority of virtue clark weidner faith on trial in frank miller s daredevil comics on questions of the greater good about the cover we are all looking for a hero someone to battle monsters that threaten a hero can battle the monsters without but only the superhero can conquer the monster within an unexpected journal summer 2021 volume 4 issue 2 300 pages

one of the most often repeated anecdotes about the direction of literary studies over the past three decades concerns a graduate student who complained of reading kate chopin s the awakening in three classes and herman melville s moby dick in none but chopin has not always been featured in the literary curriculum though she achieved national success in her lifetime 1850 1904 as a writer of louisiana local color fiction after her death her work fell into obscurity until 1969 when norwegian literary scholar per seyersted published the complete works of kate chopin and sparked a remarkable american literary revival chopin

soon became a major presence in the canon and today every college textbook surveying american literature contains a chopin short story her novel the awakening or an excerpt from it in this unique work twelve prominent chopin scholars reflect on their parts in the kate chopin revival and its impact on their careers a generation ago against powerful odds many of them staked their reputations on the belief now fully validated that chopin is one of america s essential writers these scholars energetically sponsored chopin s works in the 1970s and 1980s and encouraged reading studying and teaching chopin they wrote books and articles about her gave talks about her offered interviews to newspapers and magazines taught her works in their classes and urged their colleagues to do the same helping to build a network of teachers students editors journalists librarians and others who continue to promote chopin s work throughout these essays stress several elements vital to the revival s success timing proved critical as the rise of the women s movement and the emergence of new sexual norms in the 1960s helped set an ideal context for chopin in the united states and abroad in the 1970s and 1980s seyersted s biography of chopin and his accurate texts of her entire oeuvre allowed scholars to quickly publish their analyses of her work popular media including redbook new york times and pbs took notice of chopin and advanced her work outside the scholarly realm but in the final analysis as the contributors point out kate chopin s irresistible writing itself made her revival possible highly personal at times amusing and always thought provoking these revealing recollections and new critical insights offer a fascinating firsthand account of a decisive moment in american literary history

there is a wealth of published literature in english by latin american women writers but such material can be difficult to locate due to the lack of available bibliographic resources in addition the various types of published narrative short stories novels novellas autobiographies and biographies by latin american women writers has increased significantly in the last ten to fifteen years to address the lack of bibliographic resources kathy leonard has compiled latin american women writers a resource guide to titles in english this reference includes all forms of narrative short story autobiography novel novel excerpt and others by latin american women dating from 1898 to 2007 more than 3 000 individual titles are included by more than 500 authors this includes nearly 200 anthologies more than 100 autobiographies biographies or other narrative and almost 250 novels written by more than 100 authors from 16 different countries for the purposes of this bibliography authors who

were born in latin america and either continue to live there or have immigrated to the united states are included also titles of pieces are listed as originally written in either spanish or portuguese if the book was originally written in english a phrase to that effect is included to better reflect the linguistic diversity of narrative currently being published this volume contains seven indexes authors by country of origin authors titles of work titles of work authors autobiographies biographies and other narrative anthologies novels and novellas in alphabetical order by author and novels and novellas by authors country of origin reflecting the increase in literary production and the facilitation of materials this volume contains a comprehensive listing of narrative pieces in english by latin american women writers not found in any other single volume currently on the market this work of reference will be of special interest to scholars students and instructors interested in narrativ

ten reviews and seventeen essays present critical commentary on the novel beloved by toni morrison

the author detects the coexistence of feminist consciousness and its unconscious repression in short stories by lilia pablo amansec edith l tiempo tita lacambra ayala kerima polotan and ines taccad cammayo she also examines the representation of women by four male fictionists nick joaquin rony v diaz gregorio c brillantes and jose y dalisay jr except for young dalisay all these writers were most productive during the so called golden age of philippine fiction in english an age when feminism was a non word in literary discourse an analysis of their stories within the contemporary feminist environment opens them to fresh insights which the traditional male canon would normally overlook this book thus hopes to develop an awareness of a fascinating activity namely reading as a woman particularly a filipino woman but the reader need not be a woman to get the point

this is an exciting and unsettling time to be teaching world literature writes david damrosch because the range of works taught in world literature courses has expanded enormously both historically and geographically the task of selection and of teacher preparation has grown more challenging teachers of this field must grapple with such issues as coverage cultural difference and the role of translation in the classroom should one emphasize masterpieces or traditions concepts or themes how does one avoid making a work bear the

burden of representing an entire tradition to what extent should anthologies be used can a course be global in scope and yet focus on a few works authors moments this collection of thirty two essays in the mla series options for teaching offers an array of solutions to these challenges reflecting the wide variety of institutions courses and students described by the contributors an annotated bibliography is provided with a listing of useful sites

an annotated bibliography of fiction and nonfiction books of interest to high school students includes author title and subject indexes
